OFFICE OF LEGISLATIVE COUNSEL

Monday - 14 August 1967

25X1 1. [] Talked with Mr. William Darden, Senate Armed Services Committee staff, who said he had been asked a question of how the Agency had the legal authority to transfer title to the building in which the National Student Association was quartered. I indicated that technically title did not rest in Government; it was held in the name of certain legal entities and, consequently, the funds involved were charged off at the time of purchase. Mr. Darden assumed this was the situation and this seemed enough for his purposes.

25X1 2. [] Mr. Blandford, House Armed Services Committee staff, called indicating Chairman Rivers would like a meeting of the CIA Subcommittee on Wednesday, 16 August 1967, at eleven o'clock. One of the specific topics he wished covered was the U.S. involvement in the Congo. He indicated we would have about an hour with the Subcommittee.

25X1

25X1 4. [] Met with Miss Alice Chervinsky, Assistant to Representative Robert Price (R., Texas), and gave her additional copies of maps for the Representative's use in driving to the Headquarters on Thursday, 17 August.

25X1 5. [] Attempted to meet with Representative Roman C. Pucinski (D., Ill.) concerning his request of Friday afternoon, but the Representative is out of the city until tomorrow. See Journal of 11 August.
